Business: _____
(optional *#2)

Eagle Lake Guardians is Eagle Lake's new nonprofit formed by Eagle Lake General Store and Eagle Lake Fishing Information & Network. We don't offer toys or trinkets, only a nice membership card to show your friends that YOU are an Eagle Lake Guardian. The **objective of Eagle Lake Guardians** is to enhance and protect Eagle Lake water levels, water quality, Heritage trout fishery and avian habitat including seeking legal advice and legal action if necessary. We hope to offer small grants or matching funds for projects or studies needed that will help Eagle Lake, establish a native spawn, assist at healing water levels, quality and the lake's total environment. **Membership fees are \$15/year.**

Even though information on our efforts and open books will be uploaded to our website we are also on Facebook for social networking. It is important to us to be inclusive rather than exclusive. We are all about Eagle Lake. Founders and Officers take no salary and we are located in Spalding at Eagle Lake.

Eagle Lake Guardians will NOT share any of your personal information unless required to do so by law.

- #1 “Eagle 911: Call to Arms” is our way of saying that we need our members to respond to a government agency. “Eagle 911: Call to Arms” will go out via Email and communications will be sent BCC. Call to Arms will also be posted on our website www.eaglelakeguardians.org
- #2 If you have special talents which we could seek a professional opinion or explanation if needed and don't mind sharing please let us know and you are not obligated in any way.

Send your membership dues of \$15 to Eagle Lake Guardians, 686-795 Bamboo Way, Susanville, CA 96130-8116. There could be several weeks for processing as our printing is donated and we need several new and/or renewing members at one time to keep printing to a minimum. All memberships are good for 12 months. Thank you for your patience. Membership Questions? Call Val Aubrey at 530-249-1430 or email eaglelakeguardians@yahoo.com
