Eagle Lake Guardians is Eagle Lake’s new nonprofit formed by Eagle Lake General Store and Eagle Lake Fishing Information & Network. We don’t offer toys or trinkets, only a nice membership card to show your friends that YOU are an Eagle Lake Guardian. The **objective of Eagle Lake Guardians** is to enhance and protect Eagle Lake water levels, water quality, Heritage trout fishery and avian habitat including seeking legal advice and legal action if necessary. **Membership fees are \$15/year per person.**

Even though information on our efforts and open books will be uploaded to the Internet as well as using Social Networking for notifications, we don’t want to exclude those who don’t have or use computers. It is important to us to be inclusive rather than exclusive. We are all about Eagle Lake. Founders and Officers take no salary.

Eagle Lake Guardians will NOT share any of your personal information unless required to do so by law.

- #1 “Eagle 911: Call to Arms” is our way of saying that we need our members to respond to a government agency. “Eagle 911: Call to Arms” will go out via Email and “turtle mail” for those who don’t have an email address. Communications will be sent BCC.
- #2 If you have special talents which we could seek a professional opinion or explanation if needed and don’t mind sharing please let us know. Business listing is optional and you are not obligated in any way.

Send your membership dues of \$15 to Eagle Lake Guardians, 686-795 Bamboo Way, Susanville, CA 96130-8116
